QHRAI FEBRUARY NEWSLETTER

As busy of a year that 2011 was, January 2012 started out with a bang!!

We started this year out like we have many years in the past with the Stallion Service Auction Banquet on January 7th. Once again, the amphitheater at the Crowne Plaza Hotel was filled to capacity during the Stallion Service Auction where Auctioneers Ted Begley and Greg Bonfer, along with Mr. Pedigree, Tom Mosley, sold 59 horses for nearly \$52,000. The buyers were there and the horses sold!! Horses that didn't sell on the 7th will be available for purchase until July 1st, but Don DeHart bought his on the 7th and won \$1,000 in the big drawing (had to be there!!) The banquet hall was filled to capacity as VIP's from Hoosier Park, Indiana Downs, The Indiana Horse Racing Commission and AQHA were part of the mix. Johnne Dobbs from AQHA, who has many ties to the Indiana Quarter Horse Racing Industry of yesteryear, addressed the crowd. We were honored to have her join us this year. Johnne will be AQHA President in 2013. Carter Riley and Calvin Prescott were inducted into the QHRAI Hall of Fame, as were the spectacular horses Jaguar Rocket and Miss Roxie Little. The 2011 Champion horses were awarded with brass and glass, but the winner of the biggest surprise and the QHRAI Presidents Award was Margaret Thompson for all the great things she contributed to QHRAI last year!! I heard the food was good and the band was great and the event went off without a hitch. The silent auction proceeds are going to our friend Richie Gilliard. Thank you to all of my Quarter Horse Friends who helped make the banquet a huge success and thank you to everyone who attended to make this our biggest event of the year.

Indiana's 2011 Horse of the Year, Lovemelikehat, and Bitter Sweet Song were both nominated for AQHA 3 Year Old Filly Champion. Did you hear me? Our Indiana bred, homegrown right here from Hoosierville, were recognized by AQHA as top 3 year old fillies in the country. They were two of the six nominees. Congratulations to both horses and their connections for these top honors. Spit Curl Diva, who made her 2011 debut at Indiana Downs, earned Champion aged mare honors. Indiana has broken into the BIGTIME and will only keep going!! How many of you plan to have a champion nominee next year?

Q.H.R.A.I. was active at the January Indiana Horse Racing Commission Meeting. The 2012 Quarter Horse Breed Development Program was approved, as were several rule changes, including new lower levels for Bute and Clenbuterol. We will be posting the specifics on qhrai.net!!

Stall applications for Indiana Downs are available and must be submitted by February 17th. An exact date is not set yet for the track to open, but according to Jon Schuster, it will be the second or third week in March. Stay tuned for the schooling race dates for 2 year olds to be announced. There will likely be a day in April and another in May.

The State House is buzzing with Right To Work protestors, and there is still a threat of Horse Racing Purse Revenue to be attacked. Your QHRAI Board of Directors is keeping tuned up on places to be and people to see, but please contact your local legislators now to let them know how much you invest in the local economy by racing Quarter Horses. Ask them to please support our industry and not support any cuts to our purse money from gaming revenue.

I just got info from Angela Demaree from the IHRC that Purdue is now offering Piroplasmiasis testing, which is still required for horses entering the tracks this year. The costs at Purdue are supposed to be much less than the \$75 and up costs we all paid last year. Ask your vet for details!!

Looking forward to seeing you at the track soon!!

Michelle Collins
 Executive Director
 Quarter Horse Racing
 Association of Indiana

Equine Piroplasmiasis Testing Offered

The Indiana Animal Disease Diagnostic Laboratory is approved to perform equine piroplasmiasis analyses for inter- and intrastate movement and will offer testing for Equine Piroplasmiasis beginning January 1, 2012.

To be eligible for a waiver of the test fee for state mandated testing, serum samples submitted for Equine Piroplasmiasis must state on the ADDL Accession form that the samples are from horses currently belonging to Indiana owners that will be at the Indiana race tracks: Hoosier Park, Anderson, IN, and Indiana Downs, Shelbyville, IN. Samples

submitted to ADDL for testing must be drawn by a licensed and accredited veterinarian, the animal ID must be listed, and reason for testing clearly stated on the ADDL submission form.

Testing for international export or for cases with clinical signs compatible with Equine Piroplasmiasis must be tested at NVSL.

The charge for non-state mandated piroplasmiasis testing for both B. caballi and T. equi will be \$24 (\$7.00 each for B. caballi and T. equi, plus the \$10 ADDL accession fee).

Important Information

There are some changes to the 2012 Stakes Nomination and payment schedule. Be sure to note the earlier stakes nominations and payment dates. Final dates of stake races are pending approval from Indiana Downs Track Management. Final dates and nomination forms will be published on qhrai.net, in Horse Resource and Speed Horse Magazine as soon as they are finalized. QHRAI will also be mailing this information directly to you. Nominations and Sustaining payments should be mailed to:
